SOCIETY DAYS

Little Channels is a stunning **9 hole pay and play golf course** and we welcome everyone to come and test their skills

The course is a good test for the better standard of golfer but also fair for the beginner. With the addition of alternative tee positions this effectively offers an 18 hole course par 64.

We have fully irrigated tee's and greens to keep them in the best of shape all year round, and with excellent natural drainage, we endeavour not to be closed.
